May 2020

PASS Summit 2020 Will Launch

What will it look like?

PASS is covering all bases to ensure our community can continue reaching new and exciting heights. Plans are underway for the in-person event you all know and love, along with a new venture, a new opportunity: a PASS Summit 2020 Virtual Event.

This plan means that if COVID-19 causes our in-person event to be canceled, registrants will have the option to receive a registration for the virtual event and a cash or credit refund for the difference between the live and virtual events. This will not impact your ability to receive a full refund (minus processing fee) or apply your registration to PASS Summit 2021.

PASS Summit 2020

Pre-Conference Sessions Announced

The PASS Summit 2020 Pre-Conference sessions have been announced and are already flying off the shelves. Make the most of your experience at PASS Summit with a full-day, hands-on Pre-Conference Session. These sessions are demo-filled and interactive; the best method to propel your learning and grow your skills.

Don't miss your chance to secure time with your favorite speakers this November, whether in-person or virtually.
